

PRODUCT CATALOGUE

ULTRA GLOSS

The Ultimate
Automotive Wash & Paint Conditioner
Contains Lanolin for natural corrosion protection

pH Neutral

Ultra Gloss is the absolute highest level in automotive cleaning technology. It's super concentrated formula will not just clean a vehicles paintwork, but it will condition the top coat so thoroughly that the surface will actually look better than with normal washing. With the addition of lanolin, the vehicle will shine deeper, longer and look better. Visible imperfections such as swirl marks are reduced, as well as providing the natural corrosion protection of lanolin. Formulated for mixed fleet operators, Ultra Gloss can be safely used on every vehicle from prime movers, prestige vehicles and passenger cars.

Ultra Gloss may be used in the traditional manner, or dispensed via high pressure sprayers, foaming guns or wash bay facilities.

Ultra Gloss is fully biodegradable, and is suitable for use in waste water recycling systems.

FUEL FIX
complete fuel treatment

Fuel Fix is the latest technology in fuel additives for the elimination and control of contaminants in diesel fuel. Improves power and reduces consumption by as much 6%. Removes sludge associated with fungal growth, as well as gum and resin build up in injectors and lines as well as stabilising unleaded petrol.

Fuel Fix will not affect seals, hoses and fittings within the fuel system. Regular use will eliminate problems associated with condensation, and prevent further biological growth from occurring.

- This will give rise to:
- Improve fuel economy
 - Smoother acceleration
 - Improved power
 - Improved fuel flow (especially through filters and injectors)

Product	Size	Part Number	Price
Fuel Fix One Shot	50ml	9270	\$4.90
Fuel Fix Chamber Pack	250ml	9268	\$14.90
Fuel Fix Chamber Pack	500ml	9269	\$26

SAF350 Concentrate	20Ltr	4420	\$142
SAF350 Concentrate	200Ltr	4422	\$984
Skycool Corrosion Inhibitor	20Ltr	4450	\$120

A wide range of speciality oils, and lubricants available upon request.

Fuel Fix starts working instantly!

Dosage:
For diesel maintenance we recommend 25mls to every 100L of diesel is required. However, if you are treating diesel bug a 'shock' dose of 100ml for 100L of diesel can be administered.

HD5000 - NON SOLVENT DEGREASER

HD5000 is a heavy-duty water based / non solvent biodegradable degreaser that will remove dirt, grime, oil and grease. May be used neat as an extra strength degreaser, or diluted as required.

Product	Size	Part #	Price
HD5000	5Ltr	4500	\$32
HD5000	20Ltr	4502	\$69
HD5000	200Ltr	4504	\$458

SDC-20 - NON SOLVENT DEGREASER

Extra strength degreaser. Suitable for degreasing, general cleaning, floor cleaning. SDC-20 will easily cut through the toughest of grease. Can be used either manually or through a water pressure machine.

Product	Size	Part #	Price
SDC20	5 Ltr	4520	\$34
SDC20	20 Ltr	4522	\$84
SDC20	200 Ltr	4524	\$490

SHOCK BLASTER DEGREASER

SHOCK BLASTER is a full strength industrial grade degreaser for the effective cleaning of engines and equipment of all types. Can be used neat or diluted for normal degreasing situations.

Product	Size	Part #	Price
Shock Blaster	5Ltr	4562	\$30
Shock Blaster	20Ltr	4560	\$64
Shock Blaster	200Ltr	5000	\$375

TURBO SPIN WASH

Designed for use in "spin washers" commonly found in many workshops. Safer for cleaning alloy components.

Product	Size	Part #	Price
Turbo Spin Wash	20 kg	4680	\$165

CITRUS 6000 - NON SOLVENT DEGREASER

Our number one selling product. Multipurpose cleaner which has over 6000 uses. Suitable for home and all industries. Citrus 6000 is also biodegrade and eco-friendly. Available from 1 litre up to 1000 litres. See page 16-17 for more details.

RAGS

Coloured T Shirt Rags.

Product	Size	Part #	Price
Rags T Shirts	10Kg	3662	\$35

OIL MOP

Absorbent loose granules for absorbing liquids including water, oil and hydrocarbons.

Product	Size	Part #	Price
Oil Absorbency Granules	34Ltr	3661	\$35

Pricing excludes GST

Citramax

The natural solvency of citrus oil makes it an ideal cleaning solvent for many applications, without the offensive odour of traditional solvents such as turps/kero/white spirits etc. Ideal for upholsterers, windscreen fitting, conveyer belts, escalators, elevators, etc. If a solvent cleaner is absolutely necessary, Citramax offers a strong cleaning solution, however because it is a natural solvent, flammability cautions should still be applied.

USES

Glue & Adhesive – Use to remove glue residue from stickers & decals
 Grease & Oil – Removes grease and oil quickly and easily
 Bitumen – Dissolves bitumen safely from painted two pack surfaces.
 Graffiti – Removes most fresh graffiti tags
 Ink – Ideal for the printing industry

Liquid Lanolin Metal

Use Liquid Lanomax to rust proof metal components against corrosion. Amazingly only a very small amount is needed to guard against rust.

Lubricant – general purpose lubricant. Lanolin is non toxic. Use on all tools as a rust preventative.

Wood

Lanomax liquid is an excellent preserving agent for use on all wood types. May even be used around aqua culture because of lanolin's lack of toxicity.

Leather

Lanomax will keep leather supple and water resistant. Will not adversely affect colour.

Marine

Use on fishing reels as lube/protectant.
Hinges, turnbuckles, aerals, trailers, couplings.
Will not cause slippage.

UNDERBODY

Black bituminous compound with exceptional adhesive quality. Ideally suited for the complete coating of the underside of cars, caravans, trucks, buses, trailers heavy construction equipment, cargo containers and most steel structures. Waterproofs, & protect surfaces from water & corrosion.

Product	Size	Part #	Price
Underbody	20Ltr	4202	\$208
Underbody	200Ltr	4204	\$1250

CABLE GUARD

CABLE GUARD Liquid Grease provides the ultimate protection against corrosion whilst providing excellent lubricity for all surfaces - reducing wear and corrosion. Ideal for the lubrication and protection of cables, chains and hinges

Product	Size	Part #	Price
Cable Guard	5ltr	4324	\$72
Cable Guard	20Ltr	4320	\$306

PENIZINE

PENIZINE prevents rust, penetrates and lubricates. Provides positive protection, loosens rusted nuts and bolts. Penizine was developed to meet a demand in the market for a high quality water dispersant and lubricant that would resist drying.

Product	Size	Part #	Price
Penizine	5Ltr	4990	\$60
Penizine	20Ltr	4992	\$155
Penizine	200 Ltr	4991	\$960

Pricing excludes GST

TOPSIDE

Anti Corrosive Sealant and Cavity Wax. Used in door and body cavities of vehicles and equipment. Ideal for four wheel drives, trucks buses, and trailers. Excellent protection against corrosion.

Product	Size	Part #	Price
Topside	20Ltr	4252	\$195
Topside	200Ltr	4250	\$1170

GREASE

Blue – Extreme pressure multipurpose grease for ball, uni, cv joints, industrial bearings, pins & pivots. RED – a superb grease for severe applications. Outlasts in high pressure/ high temp or in water.

Product	Size	Part #	Price
Grease EP2 Lithium Complex BLUE	450gm	4890	\$7.80
Grease High Pressure/temp RED	450gm	4894	\$12.50
Grease Gun			TBA

PENIZINE PLUS

PENIZINE PLUS has all the benefits of the standard Penizine, but contains extra lanolin – for heavier applications such as marine environment.

Product	Size	Part #	Price
Penizine Plus	5Ltr	4996	\$67
Penizine Plus	20Ltr	4997	\$175
Penizine Plus	200 Ltr	4998	\$1350

Lanolin Grease Metal

Drilling aid, keeps bits sharper longer and facilitates faster drilling. Self drilling screws in metal and wood will penetrate better, easier. Anti splatter in welding. Rust protection – when applied to any metallic surface.

Electrical

Tested to 75Kva. Can be applied directly to electrical components to protect against moisture. Ideal on battery terminals after fitment.

CITRUS 6000

SAFE,
EFFECTIVE
&
NATURAL

Citrus 6000 is not a Dangerous Goods classed product, is not combustible and is recommended in workshops using a fluid separator system. It is also biodegradable.

Ideal for a multitude of uses in all industries, **Citrus 6000** can simply be diluted for the task at hand.

Strong enough to remove ground in grease from engine blocks, gentle enough to clean house hold items (even jewellery).

Citrus 6000 is now sold around Australia and exported overseas.

Product	Size	Part #	Price
Citrus 6000 500ml Bottle	500ml	4601	\$14
Citrus 6000 1L Bottle	1L	6110	\$21

Citrus 6000 5L Bottle	5L	4600	\$42
Citrus 6000 20L Drum	20L	4602	\$103
Citrus 6000 200L Drum	200L	4604	\$680
Citrus 6000 IBC	1000L	4607	POA

Pricing excludes GST

Citrus 6000 is a highly concentrated multipurpose cleaner, made from a natural solvent called DiLimonene that is extracted from orange peel. This chemical designed by nature is a powerful cleaning agent. Anyone who has ever squeezed an orange peel toward a naked flame will know that it ignites instantly indicating just how strong this solvent is.

Many chemical manufacturers around the world now use this natural solvent in hand cleaners because of its cleaning power, safety and the fresh clean smell of oranges.

Citrus 6000 is a highly concentrated cleaning product that can be used neat in applications requiring a strong degreaser, or diluted to as little as 40:1 for minor cleaning situations.

Where Can it be Used?

Marine

The professional fishing industry in Queensland have been using **Citrus 6000** for over 20 years to clean their vessels, including long line vessels (the largest group of long line fishing vessels operate on Queensland's Sunshine Coast). The sensitive aquaculture industry in Tasmania have also used **Citrus 6000** for over a decade.

Restaurants

By diluting with water, restaurants can safely clean floors, fabrics, tables, splashbacks and walls. **Citrus 6000** will not leave a harmful residue. Many restaurants in Brisbane have been using **Citrus 6000** for many years because of its multipurpose cleaning abilities.

Bus & Coaches

Bus and Coach companies throughout QLD have been using **Citrus 6000** for many years for tough cleaning tasks throughout the interior of their fleet.

The Brisbane City Council uses **Citrus 6000** as a safe and effective cleaner for their fleet. Used to clean all surfaces within the bus, including the seating fabric. Also removing everything from pen marks & shoe scuff marks.

Citrus 6000 is even used as a "Pre-Wash" on the outside rear of the bus to remove exhaust soiling at a dilution of 5:1.

Automotive

Detailers have **Citrus 6000** in their must have products because of its multipurpose use and how easily it removes brake dust from wheels and the red staining from dirt and dust. It is great for cleaning fabric and vinyl upholstery, as well as carpet. Through various dilutions, **Citrus 6000** can be used throughout the cabin area as well as under the bonnet.

Buildings & Concrete

Use for cleaning concrete and brickwork.

Citrus 6000 may not be the only product that removes marks from masonry, but few are as safe or versatile as **Citrus 6000**.

At Home

Use **Citrus 6000** around the home for: cleaning mower engines, B.B.Q.'s, concrete pathways, and house exteriors. Dilute to 3:1 with water and spray directly to the front skirts of cars just prior to washing – bugs will simply wash away! Even great for cleaning the bathroom, and all washable floors.

ALL SUDDS

ALL SUDDS is a concentrated, oxygenated laundry liquid with optical brighteners. It leaves whites whiter, and colours sharper. It is lightly fragranced to give a beautiful fresh smell. Suitable for front and top loaders. Biodegradable.
